

[UX SPECIALIST]

I design experiences that feel like *the future*.

I craft intuitive digital experiences that merge human insight with elegant design—turning ideas into products people love and remember.

[ABOUT ME](#)

EXPERIENCE

7+ YEARS
creating digital products

FOCUS AREAS

- User Research
- Interaction Design
- Visual Design
- Prototyping

DESIGNING
with purpose
and empathy.

AVAILABLE FOR PROJECTS

Let's build something exceptional.

FEATURED CASE STUDIES

Designing impact through *meaningful* solutions.

[VIEW ALL PROJECTS](#)

SERVICES

End-to-end design solutions tailored to your goals.

USER RESEARCH

Uncover insights that drive meaningful products.

INTERACTION DESIGN

Design intuitive flows that users love.

UI VISUAL DESIGN

Create beautiful, consistent, and on-brand interfaces.

PROTOTYPING

Bring ideas to life and validate before development.

TOOLS I USE

MY PROCESS

A human-centered approach to digital design.

KIND WORDS

Stories from amazing people I've had the pleasure to work with.

[VIEW ALL TESTIMONIALS](#)

“

Live transformed our complex product into a seamless experience. Her user insights and design vision are unmatched.”

NATHAN PARK
Product Manager, Nexora

“

Working with Live was an absolute pleasure. She's insightful, proactive, and truly cares about the user.”

SOFIA MARTINEZ
Founder, Mindful

“

Her designs not only look beautiful but also drive results. Our engagement increased by 40% after the redesign.”

JAMES WILSON
CTO, Roamia

LET'S CREATE TOGETHER

HAVE A PROJECT IN MIND?

Let's build something *meaningful* together.

Kimi K3 frontend kodda dunyoda 1-o'rin — Fable 5 va Sol'ni ham ortda qoldirdi 🤖

Bitta promptdan tayyor narsa quradi:

Fizikali brauzer o'yinlari
To'liq ilova (frontend + backend + baza)
Dashboard, 3D, migratsiya
Agent, rasm → kod

Bir kecha u bilan qurgan odam — bir oy oldinda.

To'liq qo'llanma (20 misol + promptlar):

<https://claude.ai/code/artifact/b15c9ff8-e931-4c56-8abc-1b5c3baf8d4f>

Yoki izohga «BUILD» yozing 🙌

ОПЫТ РАБОТЫ

- **Фриланс-дизайнер (удалённо)** 2022 - 2023
 - Создание дизайна сайтов, баннеров и интерфейсов приложений для различных заказчиков.
 - **Ассистент продюсера в школе "Arrabaevna Art"**
 - Вела финансовый учёт, помогала в административных задачах.
- 2023 (2 МЕСЯЦА)

The image features a solid red background. In the top-left and top-right corners, there are branches of white cherry blossoms with delicate pink centers, extending towards the center. The word "GUUL" is written in a large, bold, white, sans-serif font, centered horizontally and partially overlaid by the blossoms.

GUUL

TESTIMONIALS

What Clients Say

Mark is a fantastic designer!
He understood our requirements
perfectly and delivered beyond
our expectations.

Sarah Johnson
CEO, TechCorp

Professional, creative and
highly skilled. Will definitely
work with Mark again!

David Brown
Founder, DevStudio

Great communication and
amazing attention to detail.
Highly recommended!

Emily Davis
Product Manager
